

Phase 2 of NuLife's Lifestyle Improvement Deepavali 2020 Project was successfully completed on Sunday, November 8, 2020.

We would not have been able to orchestrate another island-wide distribution effort if it weren't for the commitment and dedication of **NuLife donor Han Wei and her team**, the whole-hearted support of **Bravehearts SRM Services Pte Ltd** and **NuLife's Ambassador and Champion volunteers**.

The invaluable support given by the vehicles and drivers of team Bravehearts was critical in facilitating the delivery of the festive care packs to selected beneficiaries in Marsiling, Woodlands, Yishun, the Chin Swee Estates and across Serangoon, Hougang, Punggol, Buangkok and Chua Chu Kang. A big thank you to the management committee and staff at **Darma Muneeswaran Temple (DMT)**, who graciously offered us storage space to assemble the care packs and provided us with refreshments.

Lifestyle Improvement Deepavali 2020

Phase 2

This initiative, conceived in two phases, allowed us to deliver mattresses, pillows, bed linen and face masks to beneficiaries across Singapore.

NuLife believes in the strength of cooperative partnerships and this project brought to the fore our community engagement with the following partner agencies: **SINDA Family Service Centre, Hougang Sheng Hong Family Service Centre, Serangoon Moral Family Service Centre, Kreta Ayer Family Services, Club HEAL and Marsiling Indian Activities Executive Committee (IAEC).**

We also had an opportunity to render assistance to households in the Chin Swee Estate, where we have been based for the past year, and widen our visibility in and around the heartlands surrounding Serangoon Town.
